UCD Equality, Diversity and Inclusion

Cultivating a Culture of Respect and Belonging

About the UCD Diversity Calendar

As a Global University, UCD is committed to creating an environment where diversity is celebrated and everyone is treated fairly regardless of gender, age, race, disability, ethnic origin, religion, sexual orientation, civil status, family status, or membership of the travelling community.

The UCD Diversity Calendar aims to celebrate UCD's diverse community and raise awareness of the various cultural festivals and celebrations around the world. We encourage you to use the calendar as a reference to assist in planning events, activities and deadlines.

The Calendar was created by the EDI Unit with contributions from a range of EDI groups. It is also available for download in PDF format or can be viewed as a slideshow on the EDI website, where information is provided about the diverse cultural celebrations and religious holidays.

About EDI in UCD

The EDI Unit promotes the mainstreaming of EDI across UCD through various initiatives and collaborates with the various EDI groups, networks, and areas internally and externally to embed EDI into daily activities. Below is information regarding various EDI initiatives, groups, services, training and resources that will support you in making UCD an inclusive University.

EDI Groups and Networks

There are a number of EDI sub-groups and working groups in UCD who work to promote, support and implement EDI initiatives across the University. These include the UMT EDI Group and its subgroups (Gender Equality Action Group, LGBTI Sub-Group, Disability Sub-Group, Anti-Racism and Cultural Awareness Sub-Group, University of Sanctuary Sub-Group, Dignity and Respect Oversight Group and Public Sector Duty Group) as well as its working groups on Neurodiversity and Engaging Men.

Colleagues can also join our staff Networks, who spread awareness, promote a sense of belonging and provide opportunities to get together and make connections:

- LGBTI Staff Network
- Multicultural Employee Network at UCD (MENU)
- Women @ STEMM

EDI Supports and Guidance

EDI work with key support services that are available to UCD employees:

The Mental Health and Wellbeing Support Colleagues: this peer support group was established to support employees who may be feeling overwhelmed at any stage of their lives or are concerned about their mental health and wellbeing. The Support Colleagues provide non-judgemental, confidential support and information to employees on a strictly confidential basis and are available for a chat or to find out more about available support. All members have been trained in Mental Health First Aid.

The Parent Buddies support employees preparing to be parents, going on and/or returning from maternity, adoption, paternity leave, parental leave or with children of any age. The Buddy programme is an informal arrangement connecting you with employees to give advice and tips on preparing for parenthood and balancing parenting with your career.

The Dignity & Respect Support Colleagues are fully trained diverse employees who provide support and a listening ear on a voluntary basis. They provide non-directive and non-judgemental support and information to employees experiencing difficulties of a bullying, harassment and/or sexual misconduct nature on a strictly confidential basis.

The dedicated Dignity & Respect Support Service, consisting of three full-time Support Advisers, works proactively with employees and students who disclose issues of bullying, harassment or sexual misconduct, and those who are reported for such issues. The Advisers, who are experienced and trained to support, respond and advise on all reports of a dignity and respect nature, will provide you with a supportive, confidential environment in which to discuss the issues and will support you to make a decision that is right for you and your situation.

The EDI Unit also regularly provides guidance on a number of EDI topics. Please visit the EDI website to access our inclusive recruitment tips, guidelines for visibility of under-represented groups and for inclusive events and communication, resources on cultural awareness, our anti-racism campaign, support for parents and carers, equality impact assessments and a lot more.

EDI Training and eLearning

The EDI Training and Awareness Raising Programme encompasses a variety of EDI-related training and awareness-raising sessions including topics like dignity and respect, gender identity, cross-cultural communication, unconscious bias awareness, inclusive recruitment, gender equality, mental wellbeing and much more. Some of the workshops are a great introduction to EDI topics to raise awareness, and others have been tailored for a particular audience, like people managers or members of interview panels.

The EDI eLearning portfolio also includes a range of interactive, modular, self-paced courses on our online platforms. EDI in Higher Education in particular is an essential introduction to EDI in the third level context and covers legislation, inclusive recruitment, inclusive teaching and practical tips to help put EDI policies into practice.
